

RICK SANTORUM

“I'm not running for president to be the most powerful person in the world. I'm running for president to give power back to you.”

A unmatched record *FIGHTING for conservative values*

“I know that if Rick Santorum were elected president, I wouldn't have one doubt any day what he would be fighting for -- not one. And it would be great if he could get there.” – RUSH LIMBAUGH

“I adore Rick Santorum's conviction.” – MIKE HUCKABEE

“Rick Santorum is a champion of the family. *I endorse him for President.*”-

Bob Vander Plaats President, Iowa's The Family Leader

Fighting to bring fiscal sanity to Washington

- Rick Santorum's economic plan was given an "A" rating for including a way to eliminate waste and the deficit by *Strong America Now*, a deficit reduction group.
- Rick's "Made in the USA" manufacturing plan offers 0% taxes for companies overseas to bring back manufacturing to the US. This will dramatically revitalize manufacturing and bring back thousands and thousands of jobs.
- Rick Santorum has called for significant tax rate cuts for middle-class Americans and will cut wasteful spending to pay for it.
- The *Washington Post* said "Rick Santorum was a Tea-Party guy before the Tea-Party existed" for his efforts fighting corruption in Washington and for fighting to protect taxpayers hard earned money.
